

Testimonials

“ We’ve run restaurants for 13 years yet the Banks didn’t want to help us expand. The team at LoanBrite understood how our business worked and gave us the funds to grow. We’ve just taken a second loan from them to further renovate the outdoor area so we can serve more customers in the summer.

Joe - Restaurant Owner ”

“ Building our business took more capital than expected and we needed funds. Our bank would not give us a loan due to having no security even though we had good cash flow. LoanBrite organised our loan with minimal fuss and paperwork. We could not believe how quick and easy the process was.

Renee & Shane - 4WD Repairer ”

“ LoanBrite made a potentially daunting task for me less overwhelming through clarifying what my business needs were and identifying what was manageable and realistic. As the owner of a small business I understand the importance of good customer service and valuing great staff.

Glenda - Cafe Owner ”

“ Thank you LoanBrite for the great way I have been treated. You are all very professional and totally respectful of your customers position. You have a great understanding of business and are prepared to be flexible, that’s really important. I will highly recommend you whenever I am asked about finance.
